Native Grasses and Forbes (Wildflower) Mixes are available on a custom order basis for all Conservation Programs. We have an extensive list of Native Grasses and Forbes available to us that is too large to list! Contact us for all of your needs!

* Replant Policy

- ☛ All ProHarvest premium qualify for a replant program. All replants for growers are subject to availability of product and may be substituted with a comparable product if the original is not available.
- ☛ The replant policy applies for the first 60 days after planting. If the grower is not satisfied with the stand, the grower must notify the Dealer and/or company representative within the 60-day window. After 60 days, ProHarvest Seeds is not responsible nor is ProHarvest Seeds obligated to provide replant seed to the grower.
- ☛ The grower will receive replant seed at a cost of 50% off the current ProHarvest Seeds' published Suggested Retail price for the product. ProHarvest Seeds requires that a ProHarvest company representative be notified of the replant prior to delivering the replant seed to the grower. The ProHarvest Seeds representative will generate and submit the appropriate paperwork for the replant credit if the product came from the Dealer's inventory. If the replant seed is ordered and shipped from ProHarvest Seed, the Dealer will be charged for the shipping. Free shipping does not apply to replant seed.
- ☛ All replants are at the discretion of the ProHarvest Seeds company representative.

Returns

No returns of damaged, dirty, sold-out, custom mixed, or special-order products.
